

Accessing a Preplan from SmartMAP on a Windows Device

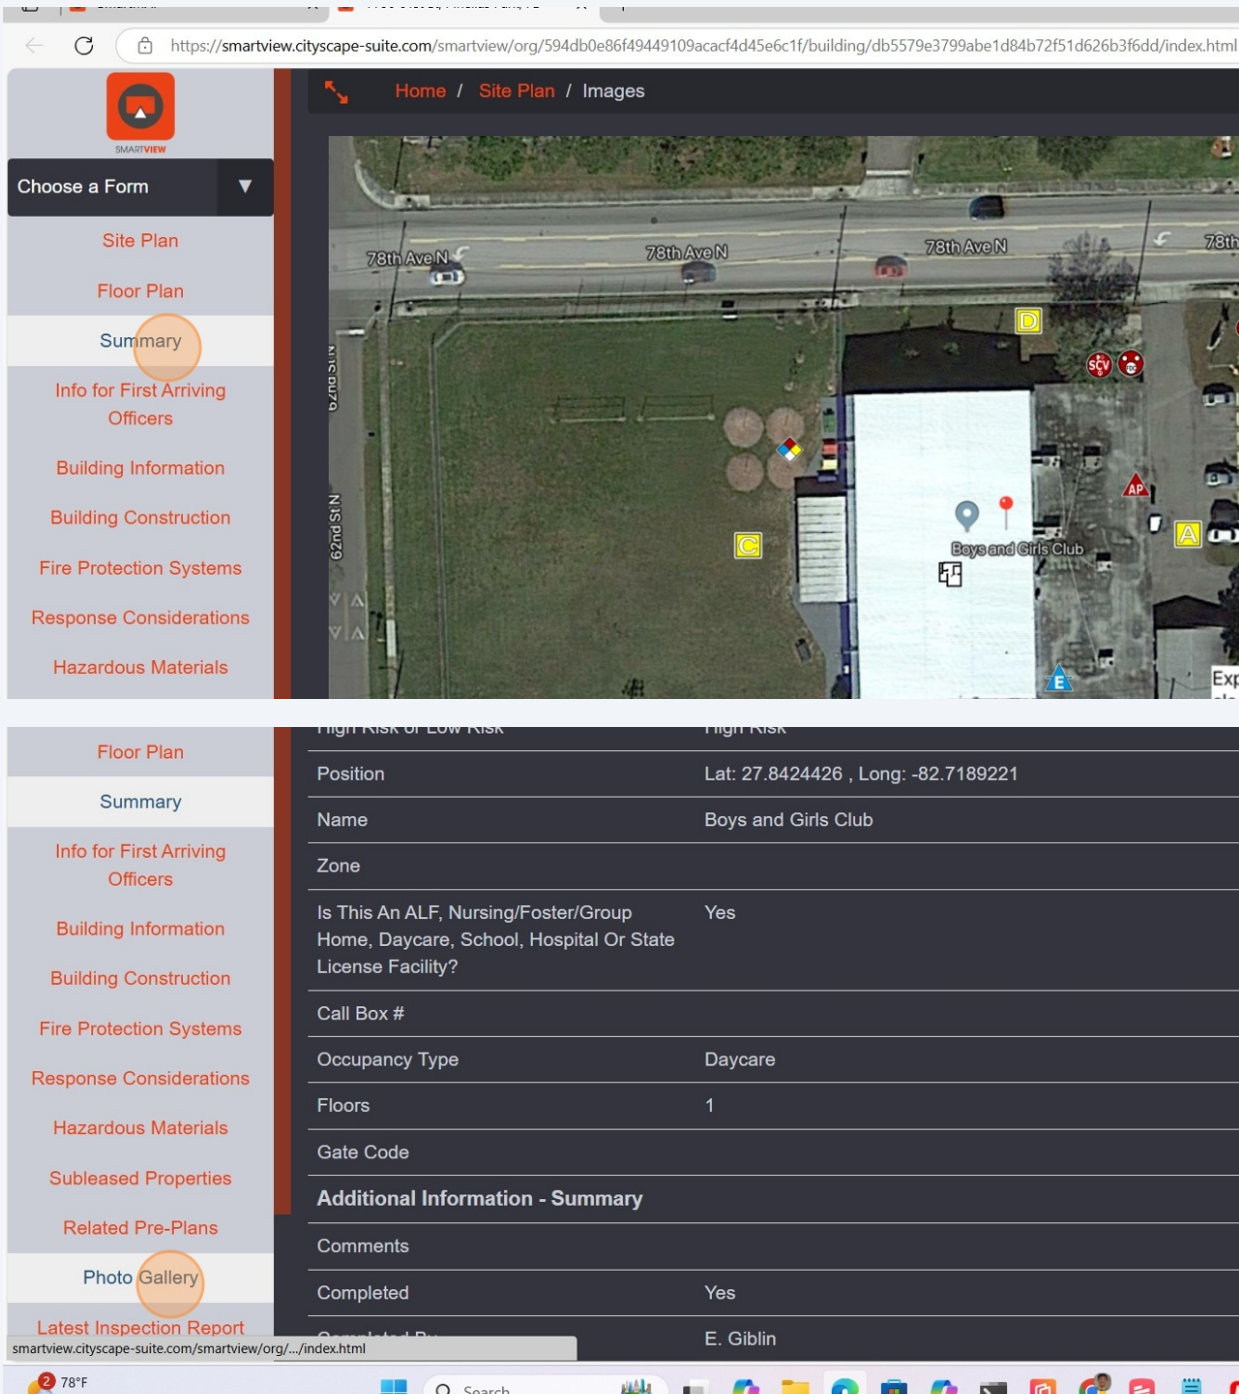

1

To open a preplan from SmartMAP, select the preplan icon on a building and then select the address in the pop-up.

2

If available, the site plan will open by default. Use the preplan menu to navigate the preplan.

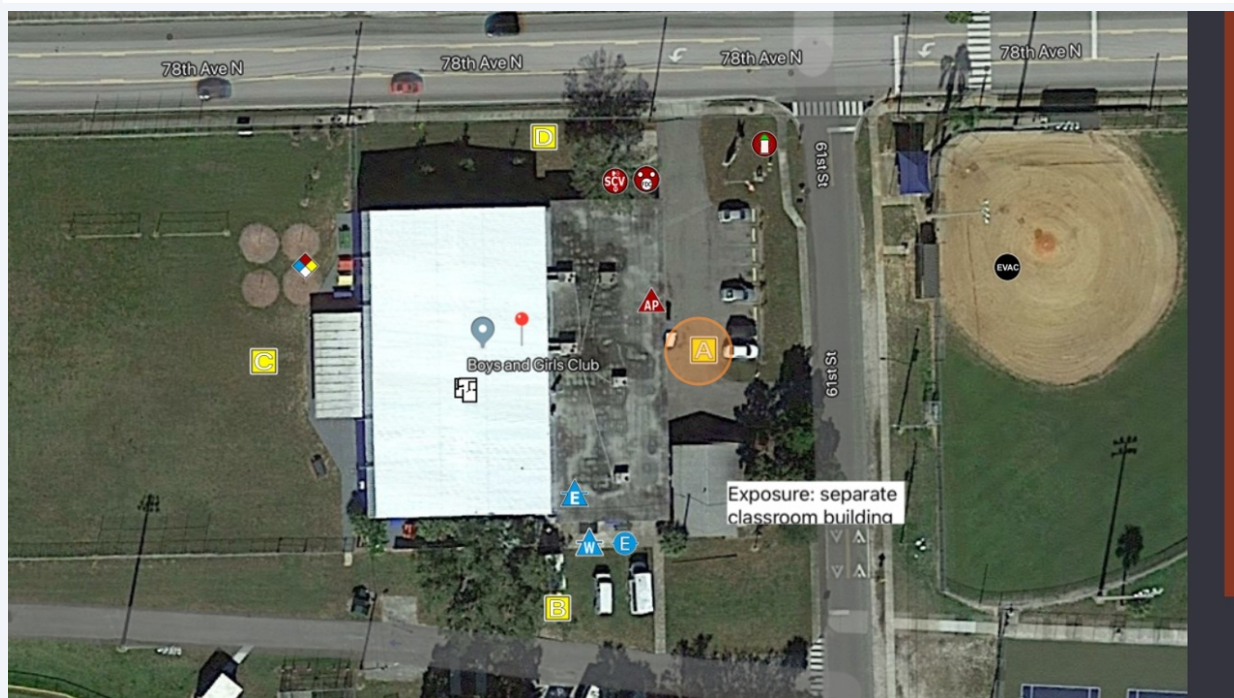

The screenshot displays the SmartView Cityscape Suite web application. The top navigation bar shows the breadcrumb path: Home / Site Plan / Images. The left sidebar contains a menu titled "Choose a Form" with the following options: Site Plan, Floor Plan, Summary (highlighted with a red circle), Info for First Arriving Officers, Building Information, Building Construction, Fire Protection Systems, Response Considerations, and Hazardous Materials. Below this, there are additional links: Floor Plan, Summary, Info for First Arriving Officers, Building Information, Building Construction, Fire Protection Systems, Response Considerations, Hazardous Materials, Subleased Properties, Related Pre-Plans, Photo Gallery (highlighted with a red circle), and Latest Inspection Report. The main content area shows an aerial view of a site with various icons (A, B, C, D, E) placed over different areas. A red circle highlights icon 'C'. Below the aerial view, there is a table with the following data:
