To filter the Inspection Requests by Building Name or Address, use the Search bar. The Inspection Requests will filter on this search.

The screenshot shows a web application interface for 'Inspection Requests'. At the top, there is a search bar with the text 'Ottawa' entered, highlighted by a yellow circle. Below the search bar, there is a 'Map View' button and a summary bar indicating '7 Inspections + 0 Re-Inspections = 7 Total Inspections'. Below this, there are tabs for '@apxdata.com', 'Routine', and 'Clear all'. The main content is a table with the following columns: 'Building Name', 'Address', 'Requested Completion Date', 'Assigned Inspector', and 'Inspection Type'. The table contains 7 rows of data, all of which are 'Routine' inspections. At the bottom of the table, there is a pagination control showing 'Showing 1-7 of 7 results'.
