Straight is press-to-release.
Erase line removes the stroke you click.

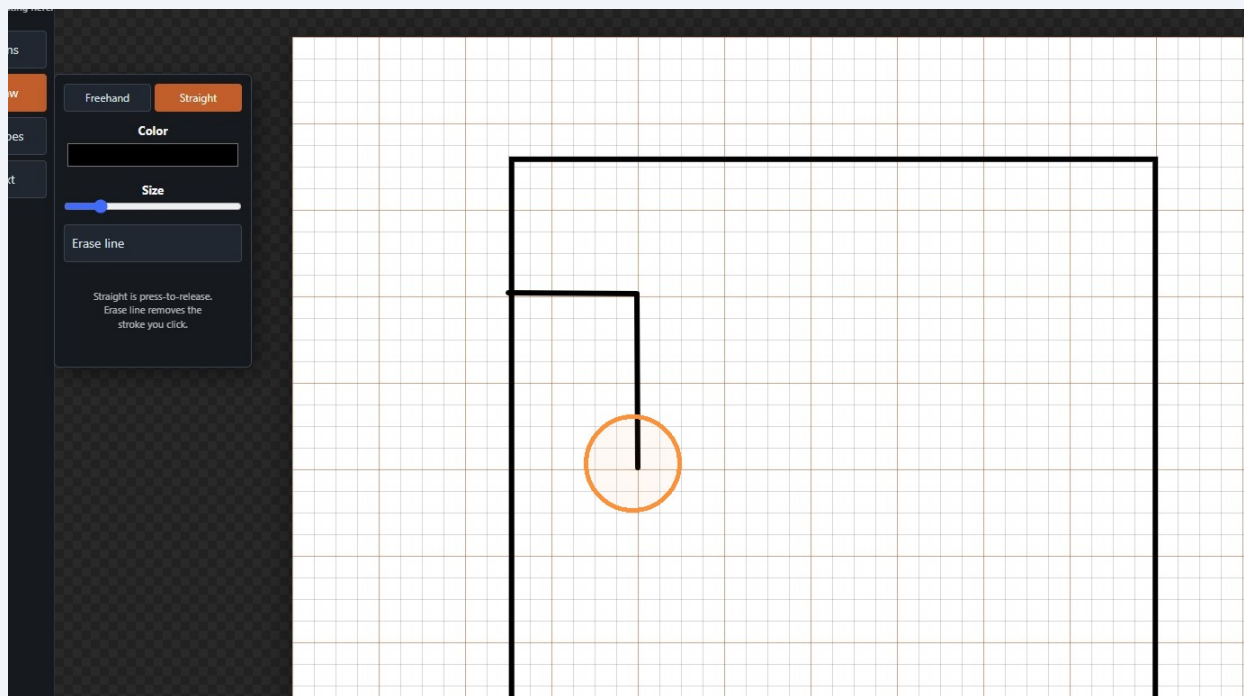

7

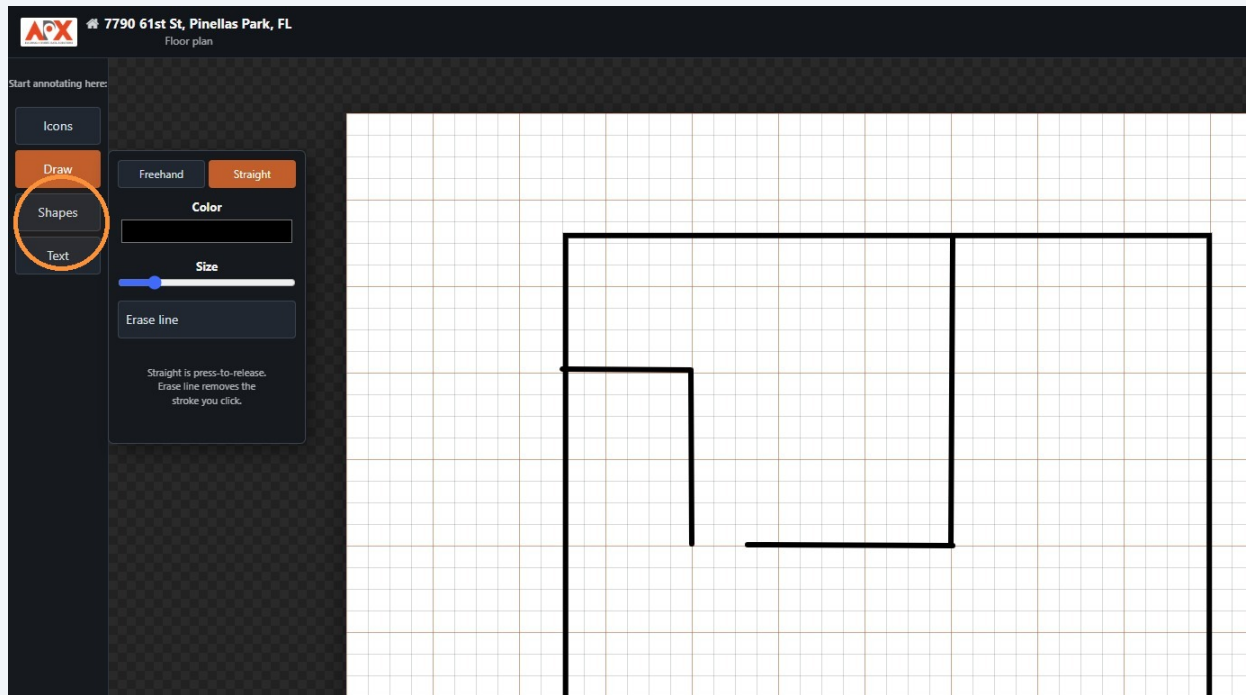

The Shapes tool can be used to add a rectangular or square shape to the floor plan.

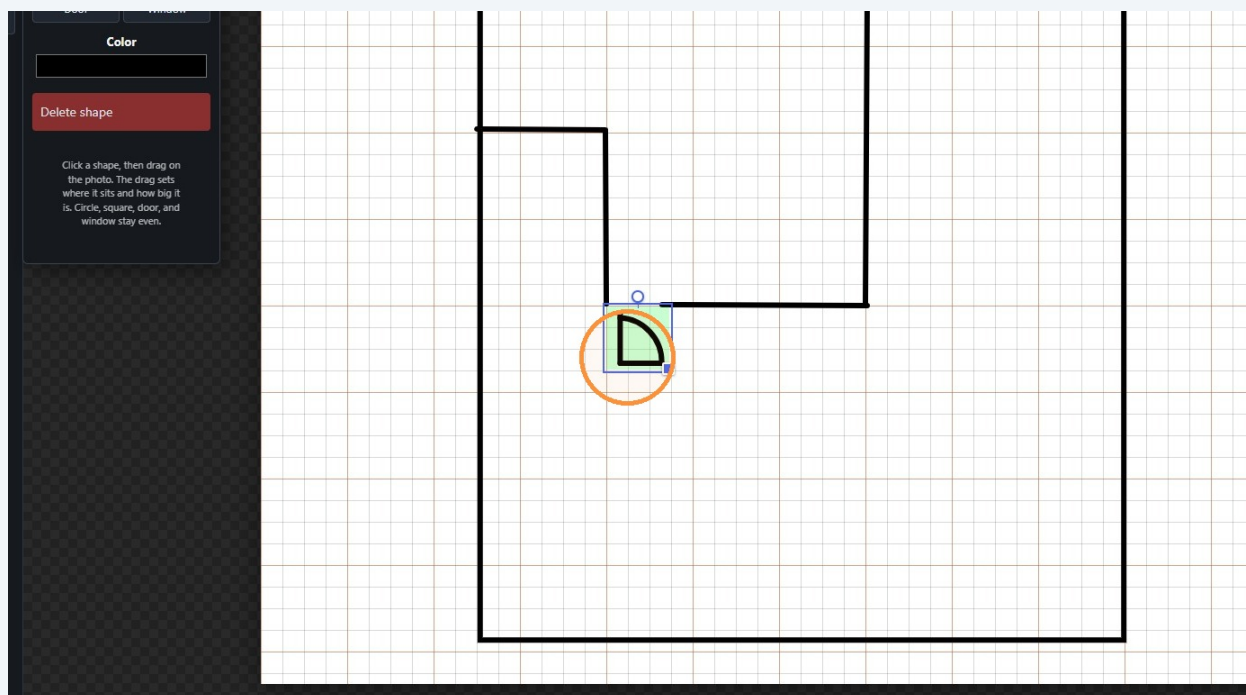

8

The Straight line tool can be used to indicate walls and openings on the floor plan.

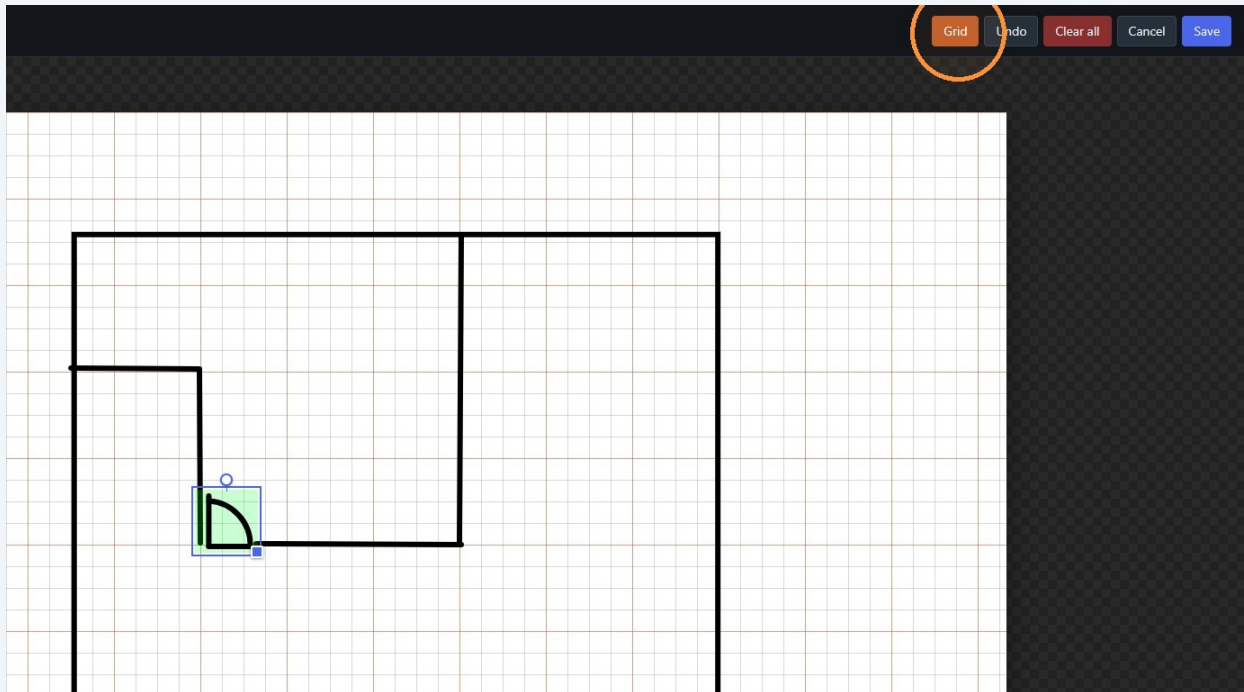

- 9 Within the Shapes tool, doors and windows can be added.

10

In the top right, users can access the following controls:

- Toggle the grid on/off. The grid is to assist users, and will not show up on the Preplan Preview.
- Undo previous actions
- Clear All

11 Select **Save** to save changes to the floor plan image.
