Deleting an Incident Record

⚠ Incident Records can only be deleted by Admin users. Deleting an incident record will delete all text, images, and previously generated Incident reports.

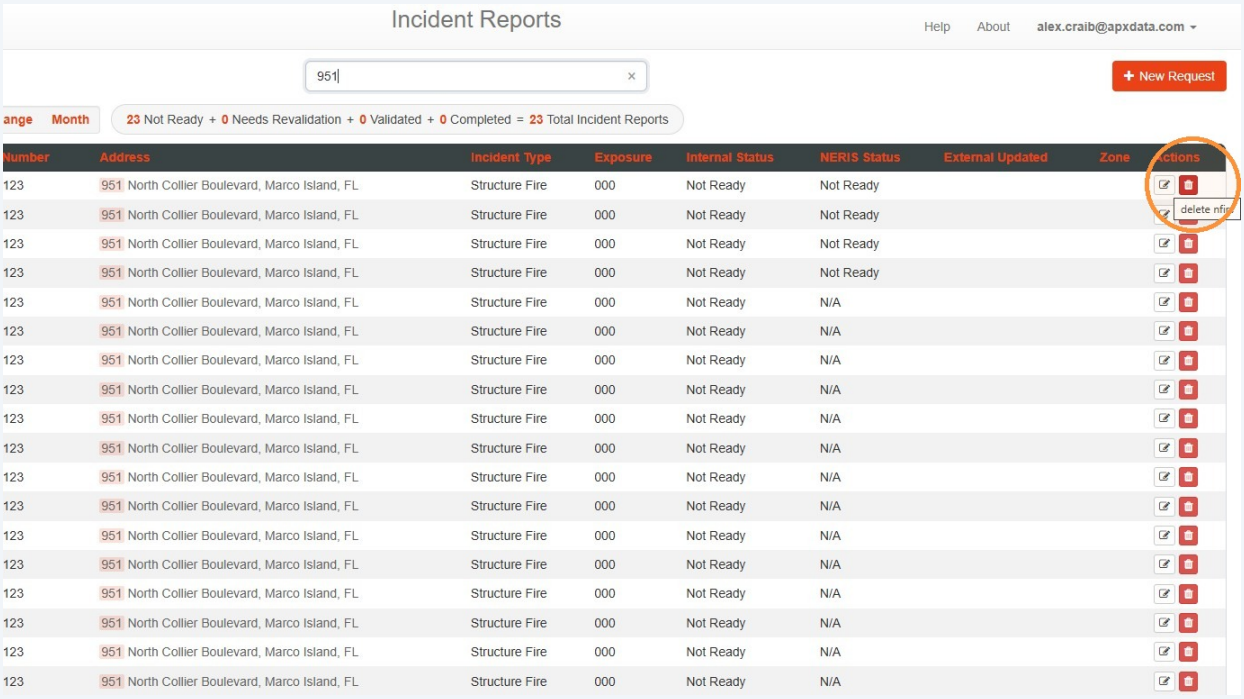

1 Search for the incident report to be deleted. The search bar can be used to search by Incident Name, Address, Date, or Incident Type.

Incident Date	Incident Number	Address	Incident Type	Exposure	Internal Status	NERIS Status	External Updated
2026-11-16	1231549618	1757 Woodward Drive, Clearwater, FL	Fire || Structure Fire	000	Not Ready	N/A
